Welcome to 26 Dingo Park Road, Fryerstown – a beautiful and tranquil box-ironbark bush sanctuary. This off-grid delight is nestled on a picturesque 31 acres, only a 15-minute drive from Castlemaine township. The mudbrick home boasts rustic charm, offering a unique living experience that is both sustainable and serene. Comprising of two bedrooms, open-plan kitchen and living, study, laundry and bathroom. There is an open fireplace and wood-burning heater, ensuring comfortable living year-round. Inside, a striking aesthetic appeal, featuring exposed timber beams throughout. Additionally, there is a separate mudbrick studio with its own kitchen/living, bedroom, bathroom and carport. The property is powered by solar energy, with solar panels and battery storage. Extras include rain water tanks, mudbrick garage, wood storage space and two smaller sheds. Grow your own veggies, enjoy the surrounding natural beauty and wildlife that call this place home. This property offers an unparalleled opportunity for sustainable country living, please contact our office on 5472 1248 to arrange a private inspection.
