## **THE "REAL DEAL' BUSH BLOCK: 20 ACRES (approx)**

This block is located approx 23km from Avoca (last stop for provisions or a beer at the pub). It is treed with clear spots which could provide an excellent base for camping on that weekend away. In 2020, Tanwood had a recorded population of 26 residents - if solitude and relaxing far away from suburbia is on the agenda, this provides those options. Tanwood is 6 min (approx 8km) from Moonambel, home to a number of wineries (Summerfield, Taltarni, Dalwhinnie). Please contact aagent for further details.
