Have you been yearning for an investment property? Would you love a property but don't want to take on the maintenance and lawn mowing? Desire a character log cabin at exclusive Stewarts Bay where property is almost never available? This is your opportunity to own your own parcel of paradise where you can enjoy all the above without the worry. Nestled in a world heritage listed National Park is the very popular Stewarts Bay Lodge surrounded by beautiful nature bush, home to wildlife and birdlife, with the most amazing crystal blue waters and white sand below. This 2 bedroom log cabin is now offered for sale, presents well and is used as short term managed accommodation. The cabin has on-site Managers who look after all bookings, cleaning and maintenance for you. The accommodation comes fully furnished and consists of two spacious bedrooms, separate family bathroom and sep laundry. Well equipped kitchen, spacious open plan living with glass sliders opening to a timber deck, just perfect to relax after exploring the beautiful Tasman Peninsula. The current management agreement allows the owner to stay in the Chalet for up to 30 nights per year. Financials and more information for the cabin are available upon request. The popular sheltered beach of Stewarts Bay is a short stroll away and there are walking tracks that lead to the Port Arthur Historic site. Stewarts Bay Lodge is a 90 minute drive from Hobart travelling along the scenic Arthur Highway. Cabin 10 has glimpses of Stewarts Bay beach and the bay, short walk to the restaurant, playground. Contact the team of Debbie & Danny for further information and to arrange your private viewing, you wont be disappointed.
