Following the popularity of the first stage, Cerulean's stage 2 release, titled 'Azure' features the same integral design elements which helped make stage 1 such a desirable place to call home. With the added bonus of a selection of larger lots for those looking for a little more room set in such an unbeatable central location, 'Azure' will present a further 24 premium allotments perfectly positioned to capture beautiful coastal breezes and the surrounding natural outlook. Ranging in size from 753sqm - 1,224sqm these lots are aptly designed to ensure every bit is as useable as possible. Including, wide frontages, most with easement free backyards and retained level so all that is left to do is to choose the home design to best suits you. Cerulean Estate (via Taranganba Road) offers the opportunity to build and live in one Yeppoon's best locations. Residents will love being so close to popular Lammermoor Beach and perfectly situated between Yeppoon's CBD and Keppel Bay Marina. Consisting of just 66 lots, this boutique residential community will feel just like home and enhance your coastal lifestyle, so you can 'Live better at the beach' and spend your weekends doing the things you love! With an expected release date of 25/10/23, register now for updates. Visit www.ceruleanestate.com.au
