Very handy block with approx 292 hectares of good open cropping land. Undulating land fenced into 6 paddocks with a range of soil types, Red Granit Loams to Medium Gravels. The property is 6 klms East of Great Southern Highway and has Bitumen Road access to Front Gate. An excellent opportunity to acquire very good farming land in Kojonup-Katanning area. Current lease expires Feb 2025, very good interest return on investment.
