Expressions Of Interest

Perfectly Positioned halfway between Yeppoon and Emu Park is this gently undulating country. The bitumen leads up to the first boundary and the property has well constructed roads leading through the organised cropping land and across to the rolling pastures beyond. There are 2 Machinery/ Packing Sheds A lot of the pineapple cropping sections are all completely irrigated and it currently has capacity for approx 1.6 million pineapples per year. Water will never be an issue with a huge 85 ML Dam There is a 3 bedroom low set brick Homestead that has it's own 2nd driveway in from Tanby Post Office Road Large carport with extra height for boats and 4wd's Spacious well appointed kitchen Large colorbond shed perfect for a work shop and storage Some of the land is currently agisted for cattle and horses What a rare offering to the coastal market in Central Qld This large parcel of land is divided into 3 titles and is perfect for farming, developing or enjoying the lifestyle; with income-producing crops of pineapples established and offering all infrastructure and options for equipment. This property is one to be considered.
