At Hunter Homes we strive to deliver an unparalleled level of customer support and an experience that will leave you as a home buyer feeling calm and confident to enjoy the process. Every home design and customer journey is crafted with care and passion

At Hunter Homes we strive to deliver an unparalleled level of customer support and an experience that will leave you as a home buyer feeling calm and confident to enjoy the process. Every home design and customer journey is crafted with care and passion to create a unique and beautiful home that is as individual as the family it will house. Our dedicated focus on customer satisfaction, quality trades and high value inclusions have built us a reputation as one of the quality builders here in Newcastle, Maitland, Hunter and Mid North Coast regions.

Creating beautiful and comfortable spaces for families to grow and flourish is our main goal.
