uilt to the highest standard and integrating sophistication with luxury, no detail has been overlooked in the creation of this beautiful home. Soothing neutral tones combine with 2.7m high ceilings and ducted heating and cooling to deliver an exceptional home that will captivate you from the moment you step inside. The spacious living area incorporates the kitchen, dining, living and alfresco dining areas as a seamless flow through. You will relish the supreme functionality and high-end appointments that await in the deluxe kitchen. With gas cooking, ample storage and Caesarstone bench tops - entertaining at home is pure joy. And of course, three elegant bedrooms along with two superb bathrooms deliver separated living areas for all residents and guests. Outdoors, the meticulous attention to detail continues with impressively designed and landscaped alfresco entertaining area enjoying privacy and peace. It's hard to believe you can have all this and still be mere minutes from the CBD, University and Kmart Shopping Centre. This is not to be missed!
