This recently built versatile and private granny flat will suit those searching for a private and quiet sanctuary, with a layout that can be flexible in use. It features two bedrooms depending on how you want to utilise the spaces, the separate room is versatile and would be perfect used as another separate room, studio, office, shed being completely separated with its own bathroom. The house comprises of a tiled open plan living/ dining space with well appointed gas kitchen complete with dishwasher, there is separate laundry room, and two great sized bedrooms, with built in robes. The outlook and surrounding garden is oasis like and the granny flat enjoys its own private yard. Pets are considered upon application.
