Duplexes are popping up all over the place and you might make the mistake of thinking they're all the same. This little gem has a few extras that will make you smile. The master bedroom positioned at the back of the property for peace and privacy and comes with ceiling fan and walk in robe as well as ensuite. Tiled open plan living, dining and kitchen with ceiling fan and a reverse cycle air conditioner. The second bedroom is located at the front of the property and is well sized for a guest bedroom, or perhaps as an office. In the master bathroom, you'll find a really deep bath for a long soak and there's a massive walk in shower. The tiled outdoor entertainment area has ceiling fan and looks out onto the fully fenced back yard. Single lock up garage with automatic panel lift door.
