Masterfully crafted and meticulously presented, this exclusive new full brick duplex home spans over three generous levels commanding the high side of the street. Showcasing a striking entrance, the residence superbly fuses high-end design and family functionality, with an emphasis on elegance and style. Displaying architectural brilliance unparalleled in quality, embracing exquisite craftsmanship and spacious interiors throughout. Setting a benchmark with large family entertaining in mind, ideal for multi-generational living or for when guests visit, the home is generously equipped with each bedroom enjoying its own ensuite, plus a single bedroom granny flat. Offering a versatile floor plan invoking a sense of comfort and sophistication. Located within close proximity to Hurstville CBD, shops, schools, parks and transport. This luxurious residence is complimented by the following features:-

- 5 bedrooms all with own ensuite, built-in robes, master with walk-in robe, his and hers basin, and balcony
- Formal and casual living areas, in-built TV unit downstairs, in-built study desks and cabinetry upstairs
- Chef style kitchen featuring the latest in appliances, gas cooking, integrated fridge, freezer and dishwasher, combination of marble and stone benchtops, butlers pantry
- Undercover alfresco entertaining area with 3rd kitchenette overlooking inground lap pool
- 2 car basement parking, internal access, entertainment/gym area plus multiple vehicle off-street parking
- Daiken zoned ducted air-conditioning, SMART network camera system, intercom, keyless entry
- Stylish 1 bedroom granny flat with quality finishes

The architectural lines effortlessly balance low maintenance and contemporary living. There is no denying the grandeur of this home, making it a monument to luxury and design. Truly a must to inspect.
