Elegant, Warm & Opulent Living With Basement

With a commanding street presence and elevated position, this superb, tri-level residence boasts beautiful interiors that are adorned in natural light all day long, highlighting the elegant and delicate colour palette displayed throughout the three expansive levels this home has to offer.

Architecturally designed with the occupant in mind, fall love with the array of incredible features that compose this rather spectacular home such as the spacious, yet cozy living quarters, sunbathed and meticulously crafted interiors, and the exceptional double car basement garaging. With room for the whole family and ready to be enjoyed, this rather rare and extraordinary home is the one you have been looking for!

Attributes Include:

- * 4 spacious bedrooms with built-in robes, guest bedroom situated downstairs with bathroom
- * Master suite boasts chic pendent lighting, a lavish ensuite and sunny private balcony
- * Sunbathed and cozy open plan lounge and dining area expertly nestled off the kitchen
- * Two-toned kitchen boast island bench with breakfast bar, Westinghouse appliances and walk-in pantry
- * Three stunning bathrooms with elegant neutral colour palettes accentuated by timber cabinetry
- * Daikin ducted air-conditioning, Wifi Smart Control light switches, Bosch alarm system and Tmezon video intercom
- * An abundance of storage throughout, chic European laundry
- * Low maintenance, cascading landscaped front yard timber sleeper steps, grassed backyard
- * Remote two car (tandem) garaging with an additional two car spaces in large driveway

PARKING VIA CLANCY STREET PADSTOW HEIGHTS
