Downsizing or Investing?

The perfect compromise between a unit and a house has been reached in this lovely neat duplex. Being located close to schools, parks, shopping and a short drive to Mt Pleasant Shopping Centre just puts the icing on the cake.

The unit presents with 2 bedrooms and the original garage that has been re-purposed into a 3rd bedroom or a separate lounge.

All bedrooms have built in robes and air conditioning, with bedrooms 1 and 2 being carpeted rooms.

A lovely compact kitchen that features a gas cooktop, electric oven and a dishwasher provides ease of living for your busy lifestyle.

Security screens and doors feature throughout the property.

There is a lock up garage and a carport adjacent to keep your vehicles safe and out of the weather.

Unlike most units that have very little outdoor living area, this unit has a covered entertaining area that faces east and is perfect for catching the morning sun.

What a lifestyle in the tropics be without an outdoor area?

The property is currently tenanted so inspections are by appointment and preferably during the week.
