With the current dearth of available land in the Gympie, this 7260m² allotment represents a very real opportunity. The block slopes gently away from the road allowing for maximum privacy should that be your desire. Or build at street level for the ultimate in overlooking the neighbourhood and have the storage below. Whatever your wish, there is room for the kids to play, grow a garden or home for a horse. All this space and still just 8 minutes from the Gympie CBD. We do not accept responsibility for the accuracy of any information.
