Exquisite One-Bedroom Apartment for Sale in the Heart of Epping We are pleased to offer an exclusive opportunity to own a sophisticated one-bedroom apartment, ideally located in the prestigious central district of Epping. This newly available residence is distinguished by its serene courtyard entrance on the ground level, complemented by an array of premium features tailored for the utmost comfort and convenience. Outfitted with essential modern amenities, the apartment ensures a comfortable living experience. It features air conditioning for climate control, a high-quality gas cooktop, and a comprehensive suite of appliances to meet all domestic requirements. The apartment's strategic location offers unparalleled access to essential community amenities. It is conveniently situated within walking distance from the Epping train station, the Coles supermarket for everyday shopping needs, and well-regarded elementary schools, making it an ideal acquisition for professionals and small families. Further enhancing its desirability, the apartment encompasses a variety of sophisticated attributes: A built-in dryer and internal laundry facilities are available for complete convenience. A generously sized wardrobe in the bedroom provides ample storage solutions. A security intercom system ensures peace of mind with added safety features. A spacious open living area with a study space is perfect for relaxation and productivity. Ground floor access for ease of entry and exit. An allocated car space and additional storage facilities make this exceptional offering convenient. This apartment presents a rare opportunity to secure a piece of Epping's vibrant heart, combining convenience with elegance. We warmly invite prospective buyers to discover this exceptional property's unique lifestyle.
