Expansive 3 Bedroom Luxury apartment with Stunning Landscaped Terrace. Embodying the very essence of Bayside living with a focus on considered design, Lowe Living presents an exclusive collection of nine luxury apartments at Oceano Hampton. Alongside boutique architectural practice AADARC, with interiors designed in collaboration with Bec Judd and landscaping crafted by Florian Wild, Oceano presents an opportunity to indulge in everything Hampton is celebrated for – sun-soaked leisure, coastal charm and modern comfort. Oceano's exclusive collection of two and three-bedroom expansive luxury apartments deliver inspired craftsmanship and embody the very essence of Bayside living. A limited number of residences within Oceano feature the Signature collection presenting the crown jewel of an already lavish address. A selection of curated finishes, fixtures and appliances present throughout, including separate heating and cooling climate control to each room. Each residence features generous kitchen amenities with high-end Miele appliances and flowing open-plan living and dining spaces opening onto expansive terraces and courtyards. Main bedrooms are generously portioned, connecting to walk-through robes and detailed joinery leading into exquisite ensuite bathrooms. Oceano offers generous outdoor areas, creating spaces that feel natural, embedded, and consistent, reinforcing the narrative of the building. Only 700 meters from Hampton beach, Oceano is positioned in one of Hampton's most sought-after locations, being only a short stroll Hampton Street's shopping precinct or a stone's throw away from the coastal amenity.
