This stylish, commodious 1 bedroom, 1 bathroom apartment with a home office is on the ground floor of a boutique complex beautifully situated opposite parklands. The clever design makes for a comfortable home life, with built-in electrical outlets in the bedroom making for an excellent TV wall. The home office, similarly detailed in layout, boasts a directly-connected NBN system. Further adding to the convenience of this property is the car space uniquely located on the same floor - setting it apart from the usual basement car spaces. Other amenities include a dishwasher, split system heating/AC, ceiling fan, and storage cage. Upon entering the property, you are greeted by a roomy open living/dining area. Soft carpet beneath your feet carries you to the tiled kitchen complete with gas cooktop, island table and stainless steel appliances. The approx 90 m2. residence certainly does not disappoint in its size, with a hugely generous built-in wardrobe and balcony to boot. Brilliantly located within walking distance to Chadstone Shopping Centre, Holmesglen TAFE and train station, Monash Freeway and major arterial links - a true entertainer's paradise and investor, first home owner or downsizer's dream. Photo ID may be required for entry of Open for Inspections.
