In a coveted locale, bespoke excellence introduces a rare find in contemporary living, designed by renowned architect Christopher Doyle. Impressive standards of modern sophistication are apparent throughout the spacious light-filled interior, with solid Herringbone oak flooring complementing the open-plan living/dining environment including a timeless yet state-of-the-art kitchen appointed with Miele appliances, Butler's pantry and Carrara marble benchtops. The main bedroom is large, luxurious and fitted with a stone-topped ensuite, and further accompanied by an equally impressive sized bedroom (BIR) and stunning bathroom. No expense has been spared throughout this lavish ground floor residence, complete with heating/AC, study and dedicated laundry. Nestled into a beautiful streetscape with a communal gym on site, a walk to Toorak Villages boutiques and restaurants, Yarra River, Royal South Yarra Lawn Tennis Club, Como Park, public transport, freeway access and elite private schools.
