Getting in on the ground floor never looked so good! This beautiful townhouse apartment at ground level in the 'Bellevue' building delivers the signature style of designer spaces throughout. Enticing, exciting and elegant, the two storey format features upstairs and downstairs accommodation including a main bedroom with a superlative ensuite in an elevated zone of its own. Below, the second bathroom and additional bathroom shares the ground level with a living/dining area of immediately appealing proportions. A stainless steel equipped open-plan kitchen completes a modern picture, complemented by heating/cooling and a floor-to-ceiling window wall to an under-cover balcony. Allocated car parking, 6 star energy rating, keypad access, video intercom and 24 hour security camera surveillance further enhance a sensational address on Bell Street's south side, merely moments from Bell station, High Street, Preston Market and the area's effervescent café culture. Equally rewarding as a residence or an investment, within a convenient 10km commute of Melbourne's city centre.
