BRUNSWICK YARD A true entertainers paradise can be found with this gorgeous one bedroom ground floor architecturally designed town residence with access to the private courtyard via the secure landscape grounds. With open planned living in mind, the well-appointed kitchen features integrated Asko appliances and long porcelain benchtops flowing effortlessly into the spacious living room. Large sliding doors lead to the oversized private courtyard complete the picture. The light filled carpeted bedroom has plenty of wardrobe space as well as large sliding doors offering direct access to the private courtyard. The bathroom is sleek and modern with touches of metal edging, a walk in oversized shower with large rose. With walls of cabinetry plus a separate Euro laundry, the residence features rustic exposed concrete high ceilings throughout, floor to ceiling doors and windows, wooden flooring in the living areas, soft neutral coloured carpet in the bedroom, heating and cooling plus a private parking bay (not stacker) and storage cage. The building features a stunning landscaped central courtyard, fast embedded wifi, E-car charging ports, ample bike racks, garbage shoots, plans for a proposed Japanese eatery as well as fob security. Within walking distance to the famous Oven Street Bakery, Mediterranean supermarket, transport and bike paths this BRAND NEW residence will not last long.
