Offering outstanding lifestyle opportunities in an exciting and affordable location, this single level suite delivers easy-living elegance less than 250m from Blackburn train station. Daily life is enriched with premium Bosch appliances, crisp, square set interiors, and a spacious bedroom and study space to embrace the work from home trend. The central lounge benefits from floor to ceiling windows to allow it to bathe in natural light. Guests will be drawn to your private courtyard, with spacious dimensions allowing for entertaining groups, or for private respite from day-to-day life. Delivering additional value is a Fujitsu DC inverter air-conditioner, secure entry, secure carpark and storage space, and a central bathroom. This coveted address is steps from the thriving cultural commons of Blackburn Station Village with its mix of shops, restaurants and cafes. Sitting between Bell Street Reserve & Morton Park, with Blackburn Lake Sanctuary a short walk away, commuting to and from work is taken care of with Blackburn train station and bus junction less than 250m down the road.
