Set on the cusp of Doncaster Shoppingtown's retail & entertainment precincts, and sitting within moments of Box Hill's cultural commons, this centrally positioned address is a celebration of life, location, and light, with its favourable floor plan oriented to take in the morning sun. Square-set architecture and the use of clean lines and sharp finishes give each space a sense of understated elegance. This is most apparent in the fully-tiled bathroom; its oversized frameless glass shower is an indication of the generous proportions which feature throughout. Two bedrooms with BIR, a euro laundry, powder room, and central kitchen complete the blueprint. Features include a central kitchen island with breakfast bar, living room A/C, ample kitchen storage, and a full-sized balcony. Comfortable, convenient, and centrally positioned, this celebrated pocket places Macedon Square Plaza, Aquarena, Ruffey Lake Park, and Jacksons Court within easy reach.
