\$679,000

Experience a spacious point of difference along with a luxurious low-maintenance aspect with this oversized ground-floor two-bedroom apartment in the fashionable 'The Seasons' building. Spanning across 124sqm (approx.) of high-end style achieved with quality contemporary finishes, square-set ceilings and wide-board timber floors throughout, this upmarket lifestyle upgrade has also been designed for ease of living with wheelchair and disability access. Light, style and space combine to present a vast open-plan living domain that excites the senses. An island breakfast bench with waterfall stone benchtops accentuates the functionality of the first-class kitchen, while the sizeable nature of the radiant living invites you to relax in a stylish and spacious setting. That essence of space extends to the huge yet easy-care courtyard; if more space is required, simply head up to the common rooftop entertaining area and create unforgettable memories. Two oversized bedrooms, the master with ensuite (includes heated flooring) offers deluxe accommodation, while an on-trend main bathroom, ducted refrigerated cooling/heating, instant hot/chilled water tap, security system, lift access, two car spaces and visitor parking are further highlights. A world of convenience is achieved with The Pines Shopping Centre and bus services at your doorstep; outstanding access to the Eastern Freeway/EastLink, schools and recreational parklands make it an irresistible lifestyle choice.
