Shawn Cheng

\$750 Weekly

Located on ground floor of 'The Bellevue', this property is currently used for a commercial office at front and a residential property at back. It is ideal for professionals such as accountant, mortgage broker, solicitor or real estate agent who wish to set up own office. It is also great for the investors who can enjoy a combined income of residential and commercial properties. 2 separate entries to office and residential property. Features: The residential property consists of a bedroom, bathroom, kitchen, laundry and courtyard. Timber flooring in both commercial and residential unit. Air-conditioner. 1 car space and storage are included. Built in December 2015. Viewings are on open homes or by appointments
