**\$1,750 pw / \$7,604 pcm**

Meticulously designed to capture the beauty of nature, the home's stunning interior is wrapped in full height double glazing, blending timber and marble surfaces including French Oak floorboards within a soothing hue of colour and features it's own street frontage. The open-plan layout is lavishly proportioned to accommodate crowds for relaxation, dining, and indoor-outdoor entertaining with front and rear courtyards. A marble-draped hostess kitchen is a stylish centrepiece to the room, providing quality Miele appliances including an integrated fridge and freezer, a steam oven, and a wine cooler among its abundant storage. Luxurious space is offered for rest and retreat in each of the three robed bedrooms, all with ensuites. Finished with a basement laundry and direct access to three carparks and within a secure communal garage, the home assures modern comfort with split system air-conditioning and video intercom entry. Within an easy walk to a selection of premium private schools including Xavier College, Methodist Ladies' College, Trinity Grammar, Carey Grammar, and Ruyton Girls' School, the home sits at the doorstep to Cotham Village and city-bound trams, while minutes from the vibrant shopping precincts of Kew Junction and Glenferrie Road, including Glenferrie station.
