Located at the heart of charming Fitzroy North, is this stunning one bedroom apartment plus extra open room that could be used a home office, or second bedroom. Boasting light filled living spaces with superb polished concrete floors opening out to the balcony, a state of the galley style kitchen, stainless steel Smeg appliances (gas cook top), dishwasher, electric fan-forced oven and ample cupboard space. The bedroom is of generous size with built-in robe and a stunning main central bathroom. Other features include: European laundry, double glazed windows, split system heating and cooling throughout, secure entry via video intercom, quality 100% wool carpets. Nestled within a community rich with the buzz of cafes, bars and restaurants, galleries and bookshops, parks and boutiques, as well as tram stop at your doorstep direct to the CBD, inspections will be sure to impress. **Please note that the photos are not a true representation to the layout of this apartment, but is a similar reflection of the interior colours of the apartment.**
