Aridgold Farm is located approximately 75 kilometres south east of Alice Springs. The property is situated off the High River Stock Route a short distance from the Deep Well/Titjikala/Maryvale Road. Structural improvements are of a relatively modest standard and comprise a main residence and associated ancillary, a semi enclosed workshop, an implement shed with enclosed generator bay, worker accommodation, an irrigation shed and various other small sheds, huts, a shade house and water tower. A large packing shed and coolroom facility has been added. Information Memorandum is available from the selling agents.
