Sitting right in the heart of Wynnum on Clara Street, you'll find this lovely 2 bedroom Villa in a small complex of 3 with a private courtyard. The location of the property means you can leave the car safely at home and walk to the train station, local shops and restaurants easily. Great kitchen with plenty of cupboards and bench space. Built in robes in both good size bedrooms. The Bathroom has separate shower, bathtub and toilet, which is a bonus. Lovely, easy living here with access to all shops within walking distance. Just a short walk down to the Esplanade too. To arrange an inspection by appointment, just give our office a call. Available from 19 July 2024
