With breathtaking views, a commanding presence and a peaceful location, this property will be a treat for your senses. Downstairs is the vehicle accommodation comprising carport and single attached garage with internal access. A formal entrance leads into the hallway guiding you toward the two additional bedrooms, both with built-in robes. The master bathroom services these rooms and is striking with a formal feel. The laundry is also on this level. Up the stairwell and this is where the magnificent views begin. The master bedroom is located towards the front of the home and offers a substantial walk-in robe and exquisite ensuite. Servicing the second level is a powder room. The open living area is an entertainers dream come true. Off the dining room is an elevated outdoor entertaining area with views over Roches Beach and out towards Ralphs Bay. For the urban professional seeking a relaxing home life, minimal upkeep and not becoming a slave to your home, this property is perfection. Pets considered.
