A Tranquil Haven Just Minutes From The Were Street Village

Only minutes from Were Street and its dining, shopping and entertainment options along with the bus and the train, this tranquil haven set among established gardens delivers a calming ambience without sacrificing convenience! Step into a light-filled, freshly painted, newly carpeted interior. The large lounge extends seamlessly to an expansive deck, complemented by an equally generous paved precinct perfect for relaxed outdoor enjoyment. It is complemented by a spacious meals area cleverly integrating a custom built study space and overlooked by the kitchen. Thoughtfully tucked away from the living and entertainment spaces are the two bedrooms. Sharing a sparkling bathroom with a spa bath, the main includes the convenience of a large walk-in robe. Perfect for first-home buyers, investors, or those looking to add a leafy environment to their lifestyle, this will not disappoint!
