This stunning property has just had a brand-new renovation throughout, where not a single dollar was spared, providing a luxury feel within every inch of the home. The large custom kitchen features soft close cabinetry, top of the line 900mm Euromaid electric cooker that is equipped with a rotisserie and completed with a matching rangehood, farmhouse style ceramic sink, timber look tiles throughout and a special extra feature being the pot filler over the stove which was added for convenience whilst cooking and adds a level of luxury. The bathroom provides a beautiful freestanding bath, separate shower and marble floor tiles. 3 generous size bedrooms, two located upstairs and the master bedroom downstairs, which opens to the private outside standalone soaking tub. An office/study room located next to the master bedroom which would make a great little library for the book lovers. Outside has its own intimate courtyard which is low maintenance and is perfect for afternoon fires. This property has gorgeous unobstructed views over the field, perfect for watching the sunset from the front veranda. Located in a quiet no through street with the local golf course only two doors down makes this an ideal location and within close proximity to the heart of Strahan.
