Nestled centrally amidst the bustling conveniences of Huonville, this charming weatherboard home has undergone extensive renovation, offering three bedrooms and contemporary upgrades throughout. Offered for only the second time since being built in 1964, this home was the original house on 88 Main Street before being strata titled back in 2020. Stepping inside you will discover a welcoming neutral colour palette that floods the spacious interior with natural light, accentuating its modern enhancements. The heart of the home, the near-new kitchen, stands out with separate cooking appliances, a pantry, and a breakfast bar overlooking the living area. Here, an open-plan layout seamlessly integrates with views over the neighbouring vacant land and down the street, creating a serene atmosphere for everyday living. A reverse cycle heat pump ensures comfort year-round, while all three bedrooms, accessed off the hallway, boast built-in storage for added convenience. The central bathroom features a shower over bath, with a separate toilet enhancing the functionality of the home. Outside, a covered front verandah and rear deck provide perfect spots for relaxation or entertaining, whether enjoying quiet moments or hosting barbecues with loved ones. The front yard offers a blank canvas, allowing for personalised landscaping or low-maintenance upkeep, while a garden shed provides storage solutions for outdoor essentials. Ideally situated in the heart of Huonville, this property is just a short stroll away from various amenities, including a shopping complex, doctors surgery, school, and recreation ground. Moreover, with Hobart CBD a mere 35-minute drive away, you can enjoy city conveniences while relishing in the tranquility of suburban living. Rates \$1,500 approx pa
