Introducing a stunning traditional meets contemporary home, that conveys a sense of joy from wall to wall with its unique quirks and modern finishes. From first glance of the property, you are greeted with a gorgeous white picket fence, encapsulating the true essence of this family home. Boasting a formal entrance, this home features a large living room complete with carpet and timber venetian blinds, flowing through a square archway into the spacious kitchen and dining room. This space is the true heart of the home, with the dining area positioned in the centre of the space and allowing for entertaining to be the focal point of the home. Featuring modern floorboards, a stainless steel dishwasher, oven, stove, rangehood, a double stainless steel sink and plenty of bench and storage space! This home has five very spacious bedrooms, complete with carpet, ceiling fans and split systems, with the primary boasting a built-in-robe. Through to the ultra sleek modern bathroom is a double vanity, bath, shower and a toilet. Outside boasts a fully enclosed entertainment area, a garage/shed, a garden shed and beautifully established gardens and lawn. This property is fully fenced. Rates: \$537.00 p/q
