For sale

If you are looking for a family home with space to grow and want to be within a short walk to everything Redcliffe has to offer, look no further, I think we've found it. Location, location, location: The property is positioned on a generous 607m² block with a wide 16.3m frontage. Directly opposite parkland and just a short stroll to Redcliffe CBD with its cafes and restaurants just a couple of blocks away. The beach is not much further, and the hospital, Redcliffe Dolphins, local schools and transport are all within a short stroll as well. The location is AWESOME. The home: Did I say BIG bedrooms. There is tonnes of space throughout the home for a growing family. Huge living areas, a family sized kitchen with walk-in pantry, monster size entertainers deck overlooking a well-cared for backyard. Does it get any better? Yes, it does, being split level there are zones where the family can come together but also lots of options for individuals to have their own space. I'm going to let the pictures do the talking but needless to say the 3 bedroom "basic description" short sells what this beautifully cared for split-level home has to offer, especially when it comes to size and space, not forgetting the ground floor. Features: Freshly renovated, the home comes with,* Split system air-conditioning throughout* A new Colorbond roof (less than 2 years old) with back to grid solar system* Totally & professionally repainted throughout* New hot water system* Gorgeous original hardwood timber floors in great condition and brand-new carpet to the living area* Plantation shutters, ceiling fans, screens, garden shed, rainwater tank and lots of other little options, this place has the works. Right now you are probably thinking, what's this home worth? Call me to discuss. The owners are motivated to sell and have reasonable expectations. My advice, don't wait! Homes this good in this street NEVER last, contact Stephan or Jo today to arrange your viewing. Don't wait.
