Hi, I'm a Brand New Opportunity...

Construction has now commenced on the James Street Apartments!

Say hello to contemporary suburban living, the sleek and stylish James Street Apartments are for those with an eye for quality. The generous layout and long list of features will attract a wide range of buyers as will the sought-after location close to beautiful nature reserves, local amenities, and the heart of Adelaide.

Architecturally designed and brought to you by Schiavello, this collection of 2-bedroom apartments marks the beginning of something inspiring. Enjoy low-maintenance living in one of 8 apartments with many offering stunning views of the neighbouring reserve. There's no need to compromise on convenience with local businesses and office space on the ground floor, and the stunning and spacious apartments reserved for the upper levels ensuring a private life surrounded by natural beauty.

Well-thought-out layouts mean you can flow freely from the kitchen, dining and living zone out to the balcony where hosting guests will be a joy as you take in the elevated outlook over the surrounding area and enjoy the change of scenery during the warmer months. Premium finishes and contemporary fixtures are on show in the open kitchen complete with stainless steel appliances, stone bench tops and island bench with breakfast bar seating.

Enjoy quality features throughout each apartment including downlights, reverse cycle air conditioning, robes to all bedrooms, elegantly fully tiled bathrooms, floating floors to living areas and soft carpet to bedrooms. Excellent storage and concealed laundries combine for maximum practicality, and with a secure carpark for each apartment, welcoming entry foyer, direct lift access and intercom, security and convenience are at your fingertips.

Each apartment is finished in a timeless neutral colour palette allowing you to add your own touch, to enjoy for years to come. Whether this is to be your very own home or you're looking for that idyllic investment, you are sure to appreciate the ultra-convenient location.

Bustling cafes and restaurants are all within easy reach plus you're just 7kms from the Adelaide CBD. Public transport and local amenities are just a short walk from your door, with local supermarkets and shopping centres a short drive away.

If you enjoy an active lifestyle, you will appreciate exploring the endless walking trails among the natural beauty of Fourth Creek, the close proximity of local gyms and recreation centres, or practicing your swing at the Lochiel Golf Course at the end of the street.
