Welcome to 1 Killworth Street, in Scottsdale. Nestled on a 753 m² parcel of land, this property offers a blend of comfort and practicality. Built in 1994, the home features an open plan kitchen, dining, and lounge area, along with two bedrooms. The kitchen is spacious with ample bench space, perfect for those who love to cook. The entire home is filled with natural light and is kept at a comfortable temperature year-round with ducted and reverse cycle heating systems. The master bedroom is generously sized and features a unique brick feature wall. Large windows allow plenty of light, making this room a delightful space to relax. The second bedroom, slightly smaller, has its own access to the outside via a sliding door and both include built-in robes. The bathroom, though compact, is well-appointed and has everything you need. Outside, you'll find a carport that connects directly to the home, as well as a fully lined lockable garage with an attached workshop. Additionally, there's a garden shed and a space perfect for a veggie patch, thanks to the rich, fertile soil of Scottsdale. The flat access makes this home ideal for those who prefer to avoid stairs. Don't miss out on this opportunity. Give me a call, I'd love to show you around.
