Home of Elegance with Stunning Views

This sophisticated, fully double-glazed home, located in the heart of Tyrolean Village is designed to capture breathtaking lake and mountain views. Effortlessly combining style, space and scenery this home is perfect for the growing family or investor.

The open-plan design seamlessly connects the large fully equipped kitchen, dining, and living areas, creating a spacious and inviting atmosphere. A cozy gas fireplace in the living room provides warmth during cooler months. From the dining area, two glass doors open onto a balcony perfect for entertaining guests or enjoying a quiet moment with a good book.

The thoughtful layout offers a rumpus room, two bedrooms, and a bathroom on the lower level while the upper level features the main living area, two additional bedrooms, and another bathroom.

The main bedroom boasts amazing views of Lake Jindabyne and the Snowy Mountains, along with private access to the main bathroom. Each generously sized bedroom is equipped with built-in robes, providing ample storage for all your needs.

The property provides an oversized freestanding double lock-up garage offering plenty of space for vehicle storage, snow sport or mountain biking equipment and additional belongings. The home is securely enclosed by a rabbit-proof fence and includes a 3,000-litre water tank, ensuring efficient irrigation for the well-established, low-maintenance garden.
