This country style home is a two-bedroom residence. Featuring a beautiful timber kitchen with electric cooking and large window to flood the space with natural light. There is split system heating and cooling, full bathroom, great sized laundry with second toilet and a large undercover alfresco/patio at the rear. Another sought after feature is the side access to the rear and small shed, all on a flat, well-maintained block. Perfect for an individual or young family wanting the convenience of the train station nearby and the towns shopping precinct only metres away.
