\$1680

This lovely home provides a haven of family comfort and superb year-round entertaining in a wonderfully private pocket of Pymble. Stepping through the foyer reveals an immediate sense of classical elegance, with tallow wood floors and high ceilings continuing into a grand lounge and dining room featuring a wood fireplace and timber French doors. Just beyond the all-weather alfresco entertaining area there is an in-ground salt-water pool and tranquil timber deck surrounded by landscaped gardens and native trees. The kitchen showcases CaesarStone benchtops and European appliances. Of the four generously sized bedrooms, three have built-in wardrobes and two are connected to a private terrace via charming stable doors, while the master also boasts an ensuite detailed with exposed original brickwork and contemporary appointments. Taking advantage of an appealing north to rear setting, and adjacent to Pymble Soldiers Memorial Park, the home borders only one other property providing an idyllic private setting. Placed within Gordon East Primary School catchment and minutes away from the north shore's most prestigious private schools, shopping, dining and city transport are also only moments away. Pool maintenance included in the rent, pets considered upon application.
