Tucked into a quiet Cobbitty cul-de-sac, this stunning five-bedroom family home is bright, beautiful, and guaranteed to exceed expectations with its multiple spacious living areas, renovated bathrooms, and large in-ground pool. It is comfortably located along the main Cobbitty Road, close to the UOS Camden Campus, the local general store and markets, and Macarthur Anglican School. Beyond its gorgeous gardens and manicured hedges, the home opens to a welcoming interior comprised of multiple naturally bright living areas, plantation shutters, and ducted air conditioning. The central kitchen serves directly to the adjacent family and formal dining areas, and appreciates Caesarstone benchtops; an induction cooktop; and walk-in pantry. Bedrooms are all sizable and feature ceiling fans and double built-in wardrobes, with the spacious master bedrooms enjoying a walk-in wardrobe and ensuite. Both bathrooms have been stunningly renovated, boasting feature floor-to-ceiling tiling; adjustable LED mood lighting; a freestanding bathtub; frameless shower niche with rainfall tapware; and a twin-basin stone-top vanity. You'll find showing off your new home a breeze with its sizable and versatile alfresco, sweeping yard, and large in-ground pool with a spa and poolside covered entertaining area! This spectacular property is classic Cobbitty comfort at its best. Make sure to contact Lee Friend today for more information. Features include:

- Land size – 2,000m²
- Close to UOS Camden Campus, local general store and markets, and Macarthur Anglican School
- Remote-controlled triple garage with interior access; plus additional detached garage
- Strikingly renovated bathrooms with feature floor-to-ceiling tiling and adjustable LED lighting
- 29 Panel Solar power system
- Upgraded ducted air conditioning system
