With an anticipated completion date expected in September 2024 this is a great opportunity to move into a Brand New home without waiting forever. Opportunity to save on stamp duty depending on the stage of construction. An absolutely amazing opportunity to live overlooking wetlands and parklands. How good would it be to put on the runners, jump on the bike and start your morning exercise from your front door. Kitchen, meals, lounge and master bedroom on the ground floor. Master bedroom with walk in robe. Ensuite with twin sinks, large 1800mm by 900mm shower. Upstairs, three good sized bedrooms and a teenager retreat. Full plans, colour scheme, tiles, carpets and fixtures available on request. Why Wait? Enquire 7 days a week and organise your personal tour.
