Exuding a wonderfully warm and welcoming ambiance from the deck entry and gardens to the beautiful sunlit home and fabulous alfresco deck and private backyard, this property has a very chilled Bali vacation vibe. It would make a fabulous lifestyle choice for couples or families, or a superior asset for investors wanting to attract healthy returns and reliable tenants. The owner is to be commended for the wonderful overall presentation, which really makes you feel like you are entering a holiday retreat. And the property is only a short stroll from scenic lakeside reserve and near shops and other amenities. What really sets the whole concept off beyond the lovely home is the front deck entry and expansive high-pitched roof, fully-enclosable alfresco deck overlooking the private and relaxing, sunny aspect backyard. There is a handy garden shed, easy-care grounds and a Bali-inspired retreat, where you can unwind, meditate, contemplate and tap into your inner-Zen. Quality designed and in-vogue, the home features a fabulous sunlit open living and dining area and spacious kitchen, with excellent storage solutions, modern appliances and more. Both this hub and the superb adjoining separate media room overlook the alfresco and gardens. The main entry flows to a study, double garage access and elegant in-style master suite, with a spacious walk-in robe and ensuite. The rear family wing presents just as impressively as the rest of the home. There is great storage in the bedrooms, laundry and hall near the stylish bathroom. Embrace the setting and great location. The first home open will be this Saturday the 22nd of June at 11am. All offers will be presented to the seller on Monday the 1st of July 2024.
