Timeless by design with all-new up-to-the-minute style, this four bedroom plus study, 2.5 bathroom home is a family classic in the location of a lifetime. Fully renovated and filled with designer finishes, this accommodating home is ready to enjoy without a cent more to spend with an elite kitchen and Fisher & Paykel fridge with ice making feature making centre-stage between the living zones. The glossy designer bathrooms include a private ensuite, and deluxe detail including hard-wearing wide-board floors and plush premium carpets. Curated in designer style with sleek wall-hung vanities, prestige Geberit concealed-cistern WCs and a squareset semi-freestanding bath for the main, this reverse-cycle air-conditioned home features streamlined dual e-screen and block-out blinds for almost every window, and fitted robes for each bedroom (mirrored for the master) plus under stair storage. Even the extra-large laundry is freshly fitted in luxury style. Best of all, there's the luxury of great family space with a formal lounge, separate dining and family living-meals, a well-zoned master-suite, and a dedicated home-office for today's work/life balance. Set in full-sized family gardens with plentiful parking including two undercover spaces, and great grounds including lush lawns front and rear, there's nothing to do here but love the style and live the lifestyle in this highly-sought court within 500m of village shopping, schools and parklands (including Corrigan Oval), minutes to both Kingston Plaza and HomeCo shopping centres, and in Zone for Parkdale Secondary College.
