Don't miss this opportunity to live a peaceful life on the shores of Flying Fish Point! The opportunity to own a home on absolute beachfront is not to be missed. This Hamptons style home is a modern 4 bedroom, 2 bathroom lowset home, two living areas and a large shaded front yard, ample space for 2 vehicles and the boat! As you enter from the front door you are greeted with an enormous living area/rumpus, a quick turn to the right takes you a bedroom and hidden laundry. You will then enter the modern kitchen area with a beautifully designed island bench. Stand at this bench a moment and look out to the ocean! You will be delighted to see the view of the sea filtered by a palm tree or two. The open plan kitchen, dining and lounge area leads to a bedroom, you will not be criticised if you walk straight out into the sun room and onto the rear deck, that's where the magic happens. However to the left is a bedroom facing the front of the home, a beautifully modern bathroom and for the grand finale, making the most of the sea view, is the master bedroom and ensuite. Flying Fish Point is a tranquil coastal suburb of Innisfail, you have the ability to enjoy peaceful seaside living with the added convenience of necessary amenities Innisfail has to offer.
