\$550 per week

Its always nice to move into a new home, and this property still has that new feel.. Set in Willowbank Estate, off Golflinks Drive, small walk to the Golf Course is this beautiful family home. Fully air conditioned, four bedrooms, each carpeted, all with robes, main bedroom complemented with its own ensuite. Main bathroom having both walk in shower along with the tub for the little ones. Huge open planned living area, with cool tiles, large split system to keep the family cool in the warmer months. Galley style kitchen with great bench space, which also acts as breakfast bar, an abundance of cupboards + dishwasher. Also add a computer nook, it really does tick a lot of boxes. From the living areas through the glass doors takes you to the outside entertainment area, morning coffee as the sun comes up, but still cool in the afternoon perfect in Nth Qld. Low maintenance irrigated yard, safe for the kids and also pet friendly !!! Double automated garage for your vehicles completes the package, there is also a garden shed to store your belongings.
