This split level brick home has undergone a full makeover and is ready for you to move straight in and live your best life. Featuring four good sized bedrooms, all with built in wardrobes and ceiling fans, the main is privately tucked away from the other rooms and comes with a walk in robe and ensuite. The spacious open plan kitchen/dining/living area provides all year round comfort with combustion fireplace and air conditioning. The new kitchen boasts ample cupboard and drawer space with all new appliances along with clever bespoke timber features providing an appealing contrast. The traffic and living areas along with the main bedroom have new plank flooring throughout, making for ease of maintenance, while the remaining bedrooms are carpeted. To the rear of the home is the covered entertainment area, a great place for BBQ's with friends and family, overlooking the rear yard with an abundance of garden beds, awaiting your planting preferences. The oversized garage has remote doors and the added bonus of access to the roof void with mezzanine providing great hideaway storage. Public walkway across the road provides you direct access to the Hilltop Tavern to enjoy a meal and a beverage and the property is positioned only minutes drive to Goonellabah Shopping Village, East Point Shopping Village and 25 mins to the coast.
