With a spacious floor plan this 2-3 bedroom home suits a growing family. The property has timber floors throughout, neat kitchen with dishwasher and 2 sunrooms. The large rear bedroom can double as a 2nd living area or toy room. Outside there is space to move with a large shed ideal for storage purposes and a generous rear lawn perfect for kids play. Outdoor pets are considered. Walking distance to local primary school and specialty stores. A convenient location which is central to both Wollongong and Warrawong shopping precincts.
