Guide \$940,000

Situated within a quiet and picturesque cul-de-sac and sitting proudly at the crest of its 1037sqm block is 10 Kalmia Court: a modern, elevated home with abundant natural light. Clean, neutral walls perfectly complement the honey-toned timber flooring throughout as light dances through the large windows which draw the calming green surrounds in to the home. The modern kitchen with its fresh, white cabinetry, dishwasher, induction cooktop and oven provides a 180-degree outlook over mature trees and welcomes in plenty of natural light - spending time within the kitchen will always be a delight. The main living area is connected to a generous sized family room through wooden french doors, allowing the space to be open and connected as one, or closed off as two separate areas. **PROPERTY HIGHLIGHTS** • Master bedroom with ensuite • Modern kitchen with stone bench tops & induction cooktop • Wood-burning fireplace • Air-conditioned living area • Fully fenced with electric front gate • Double lock-up garage/workshop plus car-parking underneath the home • Large, in-ground concrete tank • European laundry Don't miss the opportunity to secure this well-presented Tamborine Mountain home, call Louis 0491 642 980 to enquire or arrange an inspection.
