Enter the spacious living areas. Ample room to unwind. Floors throughout are easy care, will be a breeze to keep maintained. A generous amount of natural light comes into the living areas, sheer and block out blinds add to privacy. The kitchen has gas cooking for faster cooking times. An island bench great for food preparation. A spacious area whilst making the daily meals. 3 bedrooms have built in robes and split system ac units. Located away from the main areas, retreat un-interrupted. The bathroom and separate water closet is placed conveniently, plus a separate laundry to complete those daily tasks leads outdoors. Outdoors the covered vehicle parking will be favourable, enough room for 2. 2nd gates give access to the rear of the block where a shade sail also provides shelter. A covered entertaining area provides a great break out space for barbecues and gatherings. The block is 792sqm, fully fenced with established gardens, easy care lawn and a flourishing citrus tree. A sizeable storage shed/garage can be utilised as a hobby room or place to work from. An extra feature to minimise those outgoing costs, pv solar panels are installed. Crimsafe screens are fixed for added peace of mind. Contact Gloria for more information on 0459 932 370.
