Located across the road from a small park and a short walk to the RSL and Redlands College. It's only 1 km to Waterloo Bay, local shops and the train station, with a short 8 minute drive to the Wellington Point reserve, with beach and pier. This beautifully presented home is on a corner block and with nothing to do... it's just waiting for a new owner to move in! On entering you have a spacious reception area with an internal door to the double garage with automatic door. The home flows through to a huge open plan air conditioned living area that has a large, well stocked kitchen looking out to the undercover entertainment area and the manicured garden. The huge master bedroom has ensuite and walk in robe, and it's situated at the rear of the home. A hallway off the lounge leads to two queen sized bedrooms with built in wardrobes, main bathroom and separate laundry. The fourth bedroom is at the front of the home with built in wardrobe. There is lots of storage in this beautiful Fiteni home and insulation in the ceiling. You have plenty of space outside to entertain friends and family and double side gates allows you to bring extra vehicles onto the block. Contact me to arrange your viewing - You will love living here! Situated in South East Queensland, Wellington Point is a very popular Bayside suburb of The Redlands, enjoying a sub-tropical climate most of the year. Serviced by private and public hospitals and schools, and major shopping complexes, and just 35-40 minutes by road from Brisbane City, the International Airport and the Port of Brisbane. There is also good transport infrastructure to the Gold Coast and Sunshine Coast, and the islands on Moreton Bay are easily accessed via ferries, as is North Stradbroke Island.
